Look a little closer

The Jordaan rewards a walk that leaves room for smaller streets and canal edges. Former working neighborhoods now contain homes, independent shops and places to eat. Begin around Noordermarkt, then choose a short public route rather than seeking every courtyard. Market activity varies by day, and many inviting doorways lead to private spaces.

Something to notice

Notice a canal-facing façade and a smaller side-street doorway. How do they meet the street differently?

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.
