Look a little closer

The Benaki Museum of Greek Culture brings objects from different periods into a historic house setting. Textiles, domestic objects, icons and other works offer a broader story than a single age of antiquity. This guide refers to the Koumbari Street museum, not every Benaki venue. Check its own exhibitions, opening calendar and ticket arrangements.

Something to notice

Choose a domestic object and notice one detail that records the hand of its maker.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
