Look a little closer

Barcelona's Gothic Quarter brings Roman traces, medieval buildings and later interventions into a living neighborhood. Begin around Plaça de Sant Jaume and let the public streets reveal changes of scale: a narrow passage can open onto a civic square. Churches and museums have separate entry rules; residential doorways are part of daily life.

Something to notice

Sketch the shape of one public square and the streets that feed into it.

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.
