Look a little closer

Montjuïc Castle overlooks Barcelona and its port, but the setting carries more than a panoramic view. Its military architecture is tied to conflict and repression. Read the interpretation in the open visitor areas. A castle ticket does not include transport up Montjuïc or other attractions.

Something to notice

Look from a defensive wall toward the city. Consider how the same view can suggest protection and control.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
