Look a little closer

Ciutadella Park makes room for lawns, paths, a lake and monumental architecture beside the old city. It is a place for everyday recreation as much as sightseeing. Choose a small circuit and look at the contrast between formal stonework and growing trees. Nearby institutions and the zoo are separate visits, with their own admissions.

Something to notice

Notice one formal line and one irregular shape made by a tree or its shadow.

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.
