Look a little closer

The Jewish Museum Berlin combines exhibitions on Jewish history and life with architecture that makes space, interruption and absence part of the experience. Allow time for interpretation as well as the building. Permanent displays, temporary exhibitions and special areas can have different reservation or ticket requirements. A thoughtful route leaves room for both difficult histories and living culture.

Something to notice

Notice how one transition between spaces changes your pace or attention.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
