PAPER CITY GUIDE

Topography of Terror

BERLIN · Kreuzberg

Original illustration · not a navigation map

A site of perpetrators. Evidence in place.

BER-0009 / v1.0 / en / color

An emonster Travel product

A4 MASTER · FIT TO PAGE

FULLY OPEN

Look a little closer

The Topography of Terror documents the institutions of Nazi persecution at the location of their former headquarters. Photographs, text and site traces ask for careful reading rather than a rapid circuit. The neighboring Wall remains belong to another period of history. Keep those histories distinct, and allow time for a demanding visit with space for reflection afterward.

Something to notice

Read one testimony or document carefully. Notice how its location changes the meaning of the evidence.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

FIRST OPEN

Before you go

ADDRESS

Niederkirchnerstraße, 8

VISITING

Check current opening days, gallery availability and any exhibition reservation requirements.

€ General admission is free; special exhibitions or activities may have separate charges or reservations.
