## Look a little closer

Llao Llao Municipal Park protects a forest-and-lake landscape on Bariloche's western peninsula. Its signed paths include the Arrayanes and Lago Moreno route, with other trails and day-use areas offering different visits rather than one interchangeable circuit.

## Something to notice

Confirm current trail conditions; strong winds or heavy snow can close all paths.

## A little consideration

Use designated pedestrian paths; no pets, fires, camping or smoking, and leave plants and wildlife undisturbed.
