🚶 On arrival

Use the official visitor entrance at Junín 1760 and follow the posted ticket and access instructions.

Check current official notices before visiting.
Facts checked 2026-10-11

FULLY OPEN

Look a little closer

Recoleta Cemetery is a place of remembrance and an extraordinary collection of mausoleum architecture. Founded in 1822, it holds the tombs of figures including Eva Perón and many other Argentine public personalities. Follow the public paths with attention to both craftsmanship and the people these monuments commemorate.

Something to notice

Look at one carved doorway or stone figure. Notice how its materials and symbols express remembrance. Choose a quiet detail rather than treating the place as a spectacle.

A little consideration

Keep voices low, respect mourners and do not climb, touch or enter mausoleums. Follow the cemetery's visitor and photography rules.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
