Look a little closer

Designmuseum Danmark invites a closer look at things that can seem familiar: furniture, materials and the organization of everyday life. Exhibitions place design choices within wider social and historical contexts. Look for the problem an object tries to solve, not only its appearance. Displays change, so check the current program and visitor arrangements before entering.

Something to notice

Choose one chair or household object. What does its shape ask your body to do?

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
