Look a little closer

Cartagena’s history museum occupies the building associated with the Inquisition, a setting that requires more than admiration of its architecture. Read the interpretation critically and give attention to the people affected by religious persecution, colonial power and social hierarchies.

Something to notice

Notice how an exhibit connects an individual experience with a larger institution or historical process.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
