Look a little closer

The Caribbean Naval Museum offers a way to connect Cartagena's coastal setting with histories of navigation, defense and naval institutions. Models, interpretation and other displays can make more sense after looking at the city's walls and waterfront.

Something to notice

Connect one display about movement or defense with a feature you have seen in the city outside.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
