Look a little closer

The Palace of Holyroodhouse stands at the lower end of the Royal Mile beside a dramatic landscape. State rooms and historic spaces connect personal stories with royal ceremony. It remains an official residence, so closures for royal use can affect visits. Check the current ticket, garden and abbey arrangements rather than assuming every area is included or open.

Something to notice

Compare a formal room with the landscape seen through a window.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
