## Look a little closer

The National on the Mound presents Scottish and international art within a central Edinburgh setting. This guide refers to that venue, distinct from the Modern and Portrait galleries elsewhere in the city. Choose a small group of works and compare their use of light or space. Special exhibitions and gallery availability may follow different arrangements from general admission.

## Something to notice

Choose two landscapes. How does each artist lead your eye into the scene?

## A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
