Look a little closer

The Uffizi offers a sustained encounter with European painting inside a building originally designed for administrative offices. Famous works attract attention, but comparisons between rooms can be equally rewarding. Choose a few paintings and leave time for looking before reading labels. Reservations, entry procedures and temporary room changes should be checked on the official visitor page.

Something to notice

Choose one painted hand or landscape detail. What work does it do within the whole image?

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
