Look a little closer

Palazzo Vecchio gives Piazza della Signoria a powerful stone edge and a high tower. The building remains connected with city government as well as museum visits. Look at the exterior's defensive character before considering the richly decorated rooms inside. Museum, tower and special routes have different tickets, restrictions and availability; civic events may alter access.

Something to notice

Compare the heavy exterior wall with a decorative interior detail if you enter.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
