Look a little closer

The Boboli Gardens extend behind the Pitti Palace as a landscape of paths, sculpture and designed views. Slopes are part of the experience, so choose a route that suits the weather and your mobility. Individual areas may close for maintenance or safety. Garden admission and palace collections are separate arrangements; check the current ticket coverage and entry points.

Something to notice

Look along one formal axis, then notice where planting softens its geometry.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room
