PAPER CITY GUIDE

San Miniato al Monte

FLORENCE · Oltrarno hillside

Original illustration · not a navigation map

Patterned marble. A church above the city.

FLR-0008 / v1.0 / en / color

An emonster Travel product

A4 MASTER · FIT TO PAGE

FULLY OPEN

Look a little closer

San Miniato al Monte sits above Florence with a patterned façade and a long religious history. The climb and the view are part of the setting, but the basilica deserves a quiet visit of its own. Follow current opening and service information. Nearby cemetery areas are places of remembrance, and steep approaches should be considered before choosing a route.

Something to notice

Compare the geometry of the façade with the irregular city rooftops below.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

FIRST OPEN

Before you go

ADDRESS

Via delle Porte Sante, 34

VISITING

Visitor access follows services and current opening arrangements. Check the official visitor notices.

€ Ordinary church access and optional visitor routes may have different rules. Check current fees and reservations.
