Look a little closer

This guide covers the outdoor grounds of Hiroshima Castle and exterior, with the reconstructed Ninomaru area where open. The main keep closed to visitors in March 2026; do not plan an interior tower visit or use old visitor information that still advertises one.

Something to notice

Confirm the current access map and Ninomaru opening hours. The keep can be viewed from outside only.

A little consideration

Respect barriers and conservation work, and keep clear of restricted structures.
