🕒 VISITING

Confirm current temple visiting conditions before travelling; choose daylight for the wooded approach.

¥ Check current temple entry and donation arrangements on arrival.

🚶 GETTING THERE

Mitaki 🚶 20 min

Station exit (unnumbered) · JR Kabe Line

Check current official notices before visiting.

Facts checked 2026-10-10

Look a little closer

Mitaki-dera sits in a wooded valley with temple buildings, a pagoda and three waterfalls. The uphill approach and narrow paths make it a different experience from the central-city memorials, with seasonal nature and worship sharing the same landscape.

Something to notice

Allow for the uphill walk, steps and slippery surfaces. Check current temple conditions before setting out.

A little consideration

Yield on narrow paths, keep voices low and respect worship and private areas.
