Look a little closer

San Francisco’s church and convent complex forms a distinctive part of Lima’s historic center. Its façades, cloisters and collections belong to a religious institution whose public museum route has its own arrangements.

Something to notice

Look for a repeated architectural motif between the public exterior and the spaces included on the authorized route.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
