Look a little closer

Barranco's streets around its public square and the Bridge of Sighs bring together older houses, pedestrian passages, cultural spaces and everyday neighborhood activity. Choose a small area and look at how changes of level shape the route towards the coast.

Something to notice

Notice a change in street level and how a stair, bridge or doorway responds to it.

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
