Look a little closer

The National Coach Museum presents ceremonial vehicles as objects of craftsmanship, display and political power. Look beyond the gilding to wheels, suspension and the space available to passengers. These vehicles were designed to be seen in movement. Check which museum building and collections your visit covers before choosing an entrance.

Something to notice

Imagine the sounds and pace of one vehicle in motion. Notice the work hidden below the ornament.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
