Look a little closer

Westminster Abbey brings worship, royal ceremony and national remembrance into a richly detailed Gothic building. A sightseeing visit follows its own opening arrangements, distinct from services. Look beyond the famous associations to the craftsmanship of stone, wood and the spaces shaped for gathering.

Something to notice

Choose a carved detail and look upward along a vault. Notice how architecture creates a quieter atmosphere.

A little consideration

Respect worship and dress requirements. Keep voices low, follow photography rules and give services and personal remembrance priority.
