Look a little closer

The National Gallery faces Trafalgar Square with a collection of paintings that invites repeated visits. Choose a few rooms rather than a complete checklist. Looking slowly at a familiar subject can reveal something new, while the building offers a change of pace from the square outside.

Something to notice

Choose one painting and stay with it briefly. Notice a color, a gesture and the direction of the light.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
