Look a little closer

The Reina Sofía brings modern and contemporary art into a museum combining historic and newer buildings. Its collections invite connections between art and the circumstances in which it was made. Choose a manageable route, leaving time beyond the best-known work for a less familiar discovery.

Something to notice

Notice a material or an unexpected arrangement. Think about what the work asks you to look at differently.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
