Look a little closer

The Royal Palace of Madrid presents a monumental architectural setting and richly furnished interiors. Visitor access depends on the official calendar because royal and state activity can affect arrangements. Look beyond the size of the building to the craftsmanship that shapes individual rooms and their objects.

Something to notice

Choose a small decorative detail in a large room. Notice how it relates to the room's overall rhythm.

A little consideration

Respect barriers and historic surfaces. Leave stonework untouched and follow visitor and photography rules.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
