Look a little closer

El Retiro offers paths, gardens and a broad boating
pond beside central Madrid. It is a place for everyday
recreation as well as a visitor landmark. Choose a
small part of the park and allow time for shade,
reflections and the people sharing the paths.

Something to notice

Look at the pond from a quiet permitted spot. Notice a
reflection, a tree canopy and the movement around
you.

A little consideration

Stay on permitted paths, leave plants and wildlife
undisturbed and take litter with you. Keep shared paths
clear.
