Look a little closer

The Temple of Debod brings an ancient Egyptian monument into a park in Madrid. Its relocated setting asks visitors to consider both the stones themselves and the wider story of preservation. Exterior views and any interior access follow different arrangements, so check current notices before planning an entry.

Something to notice

Look at the gateways and the spaces between them. Notice how the surrounding city changes your sense of the monument.

A little consideration

Respect barriers and historic surfaces. Leave stonework untouched and follow visitor and photography rules.

YOUR DAY
