Look a little closer

Bodegas López offers visits focused on Mendoza wine production, ageing and the winery's history. Its programme can include production areas, large wooden casks, a historical collection and tasting; the visitor address is in General Gutiérrez, Maipú, outside Mendoza's central municipality.

Something to notice

Reserve the specific winery experience and plan transport to Maipú. Tasting is for adults of legal drinking age; do not drink and drive.

A little consideration

Keep to the guided route, follow production-area instructions and ask before photographing staff.
