Look a little closer

In Coyoacán, the Blue House connects Frida Kahlo's work and public image with the rooms and garden of her home. Household objects, personal belongings and displays make this a different experience from a large survey of paintings.

Something to notice

Notice how blue exterior walls, plants and interior thresholds create different kinds of intimate space.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
