Look a little closer

The Postal Palace turns a routine civic service into a display of elaborate architecture. Its sculpted exterior leads to an interior known for decorative metalwork, stairs and bright stone surfaces.

Something to notice

Follow the repeated curves in the metalwork from a public viewing position without blocking postal customers.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
