Look a little closer

The Pinacoteca occupies rooms in Palazzo Brera, where an arcaded courtyard connects several institutions with different purposes. Inside, paintings reward time spent with perspective, gesture and light. Choose a room or a pair of works rather than trying to cover the entire gallery.

Something to notice

Choose two paintings that place figures in space differently, and notice how each directs your gaze.

A little consideration

Follow the current visitor and photography rules, and leave historic surfaces and objects untouched.

YOUR DAY
