Look a little closer

San Maurizio’s modest exterior on Corso Magenta gives little away about the painted interiors associated with its former monastery. The arrangement of rooms reflects different groups and uses within the religious complex.

Something to notice

Look at where a painted scene meets an architectural edge and notice how the artist handles that boundary.

A little consideration

Follow the current visitor and photography rules, and leave historic surfaces and objects untouched.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
