Look a little closer

The Met Fifth Avenue brings art from many places and periods into one large museum. Give yourself permission to choose a few galleries. Architecture, objects and the spaces between them can reveal as much as a famous work encountered in a crowd.

Something to notice

Choose one object and look before reading its label. Notice a material, a gesture and a question it leaves.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
