Look a little closer

Grand Central Terminal is a working transport hub as well as a celebrated public interior. The Main Concourse brings together a vaulted celestial ceiling, tall windows and a central clock. Take in the scale, then notice the small details that help thousands of people find their way.

Something to notice

Look from the clock to the windows and ceiling. Notice where the daylight gathers and where people briefly pause.

A little consideration

Stay in permitted public areas, keep entrances clear and respect people using the building for everyday work.

YOUR DAY
