🚶 GETTING THERE

Sumiyoshi-Toriimae tram stop

🚶 See official access route

Street-level tram stop (unnumbered) · Hankai Line

Check current official notices before visiting.

Facts checked 2026-10-10

FULLY OPEN

Look a little closer

Sumiyoshi Taisha combines a long-established shrine precinct with the sharply arched Sorihashi bridge. Observe the bridge, trees and shrine architecture at a measured pace, allowing space for people visiting to worship.

Something to notice

The arched bridge has steep steps; consult the official access information for an alternative approach when needed.

A little consideration

Keep worship areas quiet and follow the shrine's posted instructions.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
