FIRST OPEN

Before you go

📍 ADDRESS

5 Avenue Anatole France, Paris

🕒 VISITING

Tower hours and summit availability vary by date and conditions. Check the official booking calendar.

€ Tower ascent is ticketed. Gardens and esplanade are free after security screening.

🚶 GETTING THERE

👤 On arrival

Use signed entrances 1 (south) or 2 (east), then follow the queue for your booked level and ascent type.

Check current official notices before visiting.
Facts checked 2026-10-12

Look a little closer

The Eiffel Tower’s open iron structure makes a familiar landmark rewarding at close range. From the gardens and esplanade, look at the scale of the legs and lattice. An ascent is a separate ticketed experience, with different routes and levels to choose before arriving.

Something to notice

Trace one diagonal through the lattice. Notice the relationship between the massive base and the lightness of the upper tower.

A little consideration

Keep shared paths clear, follow barriers and staff directions, and pause only where it is safe to do so.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
