Look a little closer

The Louvre occupies a historic palace around courtyards and a glass pyramid. Its collections are too extensive for a hurried attempt to see everything. Choose a few rooms or themes and leave space for an unexpected work, noticing the building as well as its contents.

Something to notice

Find one work beyond the most crowded rooms. Notice a detail that would be easy to miss in a photograph.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
