FULLY OPEN

Look a little closer

Musée d'Orsay gives a former railway station a new life as a museum. Its great hall and clocks retain the scale of a place once shaped by arrivals and departures. Paintings, sculpture and decorative arts make a visit that rewards a few carefully chosen galleries.

Something to notice

Compare the scale of the hall with one small work.
Notice what the former station contributes to the visit.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
