Look a little closer

Le Marais brings historic townhouses, museums, shops and residential streets into a compact part of Paris. Place des Vosges offers a calm starting point with arcades and a leafy square. Wander thoughtfully, noticing both architectural detail and the neighborhood's continuing everyday life.

Something to notice

Look at the meeting of brick and stone beneath an arcade. Notice one courtyard only from its permitted entrance.

A little consideration

Keep paths and doorways clear. Respect residents, use marked crossings and ask before photographing people closely.
