Look a little closer

The Jewish Museum in Prague is an ensemble of synagogues, exhibitions and memorial sites in the former Jewish Town. It asks for more than a quick architectural circuit: objects and names connect the city with lives, belief and persecution. Check the official ticket coverage and religious closure calendar, because nearby sites do not all share the same arrangements.

Something to notice

Choose one object or name and give it time. Keep the visit respectful and unhurried.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
