Look a little closer

Museum Kampa brings modern art into the former Sova Mills beside the Vltava. The collection's setting invites attention to both artworks and the relationship between a reused building and the river. Temporary exhibitions can change the route. The museum interior and surrounding public spaces have different visitor arrangements; check the current program before entering.

Something to notice

Choose one abstract form and compare it with a shape outside by the river.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
