Look a little closer

The Museum of Tomorrow occupies a conspicuous contemporary building on Praça Mauá. Its exhibitions approach science, society and environmental questions through interpretation and interactive displays rather than a conventional collection of historic objects.

Something to notice

Choose one question raised inside and look for a connection with the working city visible outside.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
