Look a little closer

Pike Place Market brings farmers, craftspeople, food sellers and independent businesses into a lively downtown setting. Explore beyond the best-known corner and leave time for the smaller counters and passageways. This is a place for everyday shopping as well as a visitor landmark.

Something to notice

Notice one seasonal ingredient and one handmade object. Ask a seller a simple question when the stall is quiet.

A little consideration

Keep aisles and doorways clear. Ask before photographing people, confirm prices before ordering and respect regular shoppers.
