Look a little closer

Museum of Pop Culture brings music, film and other forms of popular culture into an expressive building at Seattle Center. The architecture is part of the visit, while exhibitions encourage connections between familiar works and the people who created them. Check the current program before choosing your route.

Something to notice

Compare a curve in the building with a detail in an exhibition. Which familiar cultural memory comes back?

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
