FULLY OPEN

Look a little closer

Seattle Art Museum brings its collections and changing exhibitions into the heart of downtown. The building's street presence is only a beginning. Choose a few galleries and give individual works time, looking for connections between place, material and the stories carried by objects.

Something to notice

Choose a work from an unfamiliar place. Look closely before reading, then notice what the label changes.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
