Look a little closer

Coit Tower stands above Telegraph Hill within Pioneer Park. The ground-floor murals and the surrounding city views offer different ways to read San Francisco: daily life in painted scenes, and the larger pattern of streets and water outside.

Something to notice

Compare a scene of work in a mural with the city visible outside. Leave room for other visitors.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY
