FULLY OPEN

Look a little closer

Shimokitazawa gathers vintage shops, book and music stores, cafés and small bars close to its station. An afternoon can turn into an evening without a long journey. Let one side street, a clothing rack or a café window suggest the next stop.

Something to notice

Choose one short street and walk it slowly. Notice how a reused shopfront, a handwritten display or a record sleeve changes its character. Ask before touching or photographing merchandise.

A little consideration

Keep voices low near homes, especially after dark. Respect shop and venue rules; ask before photos. Check each venue's prices and access rather than assuming a single district-wide policy.
