Look a little closer

Yanaka Ginza is a neighbourhood shopping street reached from Nippori or Sendagi. Daily goods, snacks and handicrafts sit beside one another; nearby lanes lead towards quiet cafés and galleries. The Yuyake Dandan steps give the street a different perspective.

Something to notice

Look down the street from the steps, then compare it at shop level. Notice an awning, a handmade object or the way a shopkeeper arranges daily goods. What feels distinctly local?

A little consideration

This is a residential shopping street. Keep steps and doorways clear; do not enter private lanes or homes. Ask before shop photos and eat only where the seller permits.
